

PREVENTIVE MAINTENANCE OPERATIVE

This stylish luxury hotel, Corinthia Hotel St. George's Bay, is seeking to recruit an ambitious, determined and highly motivated individual who is willing to embark on a career in hospitality.

A challenging opportunity has arisen ahead for those who would like to advance their career within the Maintenance Department. Working with a highly dynamic team in a fast-moving environment, the candidate will ensure that the day to day maintenance requirements are fulfilled in a professional and efficient manner.

The candidate will be responsible for:

- Performing routine and preventative maintenance within the hotel rooms and plant
- Executing the preventative maintenance schedule and ensures all equipment and designated areas are maintained to the required standard
- Maintaining all tools, equipment, and working areas in good condition
- Painting/Plastering and minor carpentry when required
- Performing basic repairs on electrical, mechanical including plumbing and HVAC systems
- Maintaining the upkeep of AC systems including cleaning and replacing filters

The ideal candidate must:

- Have past experience in a similar role
- Have basic mechanical and electrical maintenance skills
- Have a presentable appearance
- Have a flexible approach to working hours – comfortable with early starts and late finishes
- Pay attention to detail
- Have good verbal and written communication skills
- Have a conversational level of spoken English in order to flawlessly communicate with colleagues and guests
- Be physically able to withstand long periods of time on own feet
- Be familiar and skilled with basic tools
- Adhere to company health and safety policies at all times
- Follow the brand standards at all times

Candidates are requested to submit their CV by e-mail to the Human Resources Department on: vacancies.stgeorges@corinthia.com by the 15th February, 2018.
