CORINTHIA LONDON TEA BLENDS

The strength of tea is often obtained by the amount of tea leaves used while its potency depends on the length of the brewing process involved. Precision timing is required in brewing, as if it is done longer than necessary, it can result in undesirable flavours.

At the Crystal Moon Lounge, we differentiate the strength by adjusting the blends of our afternoon tea. We have curated three different teas - Assam, for its intense flavours, Oolong for its delicate characteristics and Earl Grey for its fruity and sweet notes.

BESPOKE AFTERNOON BLENDS

Three different tea variations, exclusively blended for Corinthia London by our tea master.

N°.1 AROMATIC £6

Light strength blend of Earl Grey, Oolong and Assam with lovely aromatic and light flowery undertones.

N°.3 ROBUST £6

A full strength blend of Earl Grey, Oolong and Assam with a complex aromatic bouquet of floral, fruity and honeyed notes with spicy undertones.

All prices are inclusive of 20% VAT. A 12.5% discretionary service charge will be added to your final bill.
