

## Revenue Analyst

Corinthia Hotels is currently seeking a Revenue Analyst to join our Commercial Team at Corinthia Hotels head office in London.

The Revenue Analyst position is responsible for supporting the Director of Hotel Revenue, overseeing the revenue management across the group. The Revenue Analyst is responsible for creating reports, analyzing data and supporting the hotel teams on all aspects of revenue management. Assisting the Director of Hotel Revenue, the analyst provides comprehensive support and input on the effectiveness of the Corinthia Hotels revenue strategy and communicate changes in market trends to allow the commercial team to proactively address any potential shortfalls to budgets/forecasts or highlight any opportunities to increase the hotels revenue share.

### **About Corinthia Hotels:**

Corinthia embodies everything that excellent hospitality is about – service, style and customer satisfaction. Established in Malta in 1962, founder Alfred Pisani’s vision for Corinthia was always perfectly clear. He aspired to build a thriving business based upon unparalleled standards of service that are infused with humanity and intelligently delivered. Today we are a family of luxury hotels and in every one of our beautifully designed properties, this Corinthia spirit is apparent. This winning formula has sparked loyalty among our customers, across our portfolio of landmark hotels. Our 5,000 dedicated colleagues across the globe contribute to our continued success and outstanding service. In the same way that we provide enriching and uplifting environments for our guests, we do so for our employees too.
