

CORINTHIA
HOTELS

HOTEL DIRECTOR OF ENGINEERING

We are a collection of individually designed, distinctive five-star Hotels, launched in Malta over 50 years ago. Today, we focus on giving honest, discreet service, seeing ourselves as leading craftspeople in the world of hospitality and valuing authenticity, passion, precision and understanding in all we do. Corinthia Hotels is seeking to recruit a Director of Engineering to be based at **Corinthia Grand Hotel Astoria Brussels**. Reporting to the hotel's General Manager and liaising with the Director of Engineering & Technical Services at central office, the selected candidate will be responsible for maintaining the property, its grounds, plant, systems and equipment with particular attention paid to safety, security and asset protection.

The selected candidate's main responsibilities will be to:

- Manage the budget, capital expenditure projects, preventive maintenance and energy conservation
- Maintain standards and meet regulatory requirements
- Develop and implement strategies that will assist the hotel in delivering products and services that exceed the needs and expectations of guests while optimising operational performance
- Form part of the emergency response team
- Stay updated on the latest technology related to building services and maintenance
- Monitor and implement the Preventative Maintenance Programme for guest rooms, public areas, hotel building and centralized plant systems using CAFM software
- Manage and control energy-saving projects and initiatives through third-party service providers

The selected candidate should preferably:

- Hold a university degree in Engineering
- Have a minimum 10 years' experience in a similar capacity (overseas exposure and experience in the hospitality sector and building services industry and/or a 5-star property will be considered an asset)
- Have hotel pre-opening experience
- Be pro-active and business-driven
- Be sensitive to cultural diversity
- Possess strong leadership and organizational skills
- Be proficient in spoken and written English, French & Flemish
- Possess effective time management skills and be able to work under pressure and adhere to deadlines
