

MECHANICAL TECHNICIAN

This stylish luxury hotel, Corinthia Hotel St. George's Bay, is seeking to recruit an ambitious, determined and highly motivated individual who is willing to embark on a career in hospitality.

Reporting directly to the Chief Engineer, this position requires an individual with a proven track record within the hospitality industry. This role requires a diligent and responsible individual to maintain all plant rooms and other mechanical equipment and ascertain that this is in good working condition.

The candidate will be responsible for:

- Carrying out daily checks on plant and equipment.
- Doing routine preventative maintenance, trouble shooting and servicing of plant room and kitchen equipment.
- Highlighting any faults so that necessary corrective action is taken.
- Helping in the upkeep of the hotel mechanical and electrical systems.
- Recording all works being done in the plant room/hotel and forwarding to management.
- Informing direct supervisor of consumable goods requirements.
- Ensuring good housekeeping in the Plant Rooms.
- Ensuring adherence to Company Health and Safety policies in all procedures carried out.
- Being pro-active, flexible and a systematic individual who is eager to form part of our close knit team.

The ideal candidate must:

- Must be in possession of an MCAST Diploma in Mechanical Engineering or HVAC or equivalent.
- Must be in possession of License A or equivalent.
- Have a pleasant personality and professional disposition.
- Be logical, accurate and able to handle multi-tasking.
- Be fluent in English and Maltese.
- Have excellent verbal and written communication.
- Ideally have experience in a similar position.
- Be willing to work on a shift basis depending on operational requirements.

Candidates are requested to submit their CV by e-mail to the Human Resources Department on: vacancies.stgeorges@corinthia.com
