## WELCOME

Inspired by the nostalgia of a bygone era of art-deco and cocktails, Bassoon offers a timeless style and elegance where you can enjoy a unique range of exquisite drinks and original live music.

Detail is our obsession, we have researched classic recipes, use only fresh organic ingredients, blend our own infusions, tinctures and syrups, hand-chip our ice and freshly-squeeze our fruit selection, in our mission to present to you the perfect cocktail that is both appealing and amusing to the eye whilst exciting, scintillating and intriguing to the palate.

We hope you enjoy the extensive repertoire of cocktails, inspired by illustrious guests past and present, jazz-age recipes and the current zeitgeist; served in hand-cut etched antique crystal glasses, finished with artistry and prepared with passion. Let the music blend with your cocktail and complement it for the perfect classical composition.

We look forward to welcoming you personally to Bassoon.

Domenico De Felice
