

# SHIFT ENGINEER

As a Shift Engineer you will assist with the seamless running of all engineering aspects of our luxury property ensuring our guests receive the ultimate stay with us. You will be knowledgeable about all hotel maintenance and plant room equipment.

## **Scope and Purpose**

You will also be capable of working in a busy department and be adaptable and flexible in order to adjust to the day to day requirements of the engineering facility to maintain the property in an optimum and efficient condition, to the established standards.

We are seeking an energetic and hard-working person to join our team. As a Shift Engineer you will be responsible for preventive maintenance work and regularly inspecting and carrying out remedial work on all mechanical / electrical equipment as required. You will be responsible for the efficient repair of all defects reported during the shift and you will monitor all mechanical/technical services and log all findings.

The ideal candidate will have previous experience in a similar role, will be a responsible person who takes pride in their work and be fully conversant with Health and Safety regulations.

## **Entry Requirements**

We are looking for individuals that understand what it takes to be the best and preferably with proven success in a similar environment. If you are a team player, keen to learn with a desire to excel, and have outstanding interpersonal and communication skills please do apply.

Other skills that will need to be demonstrated include:

- Previous engineering experience, preferably from within a 4/5\* hotel or similar environment
- Civil, Mechanical, Electrical Engineering skills preferred or holding / working towards City & Guilds 17<sup>th</sup> Edition qualification or equivalent.
- Flexible approach to working shifts, including some nights / weekends
- Exceptional customer care skills
- Empathy for your colleagues
- Ability to work under pressure
- Pride and attention to detail in your work
- The finest personal presentation
- Distinctive, professional and warm personality
- Confidence & professionalism in dealing with high profile clients

**Benefits include:**

- Competitive salary
- 28 paid holidays per annum (inc. bank/public holidays)
- Complimentary dry cleaning of uniform
- Complimentary meals on duty
- Discounted Salon, Spa, Food and Beverage and accommodation rates in London and across the Corinthia Hotels International portfolio
- Online benefits platform with extensive discounts on dining, retail etc.
- Professional learning and development programs
- Extensive recognition programs and length of service awards
- Stakeholder pension entitlement
- Season ticket loan
- Childcare voucher scheme

**About Corinthia:**

Corinthia Hotel London combines contemporary flair with traditional grandeur. Situated in the cultural heart of the capital, the hotel features 294 beautifully appointed bedrooms, including 7 penthouses and 36 suites, with 24-hour flexible check-in/check-out, elegant lounges, restaurants and bars and the largest, most breath-taking spa in London.

A career with Corinthia Hotels provides you with a wealth of exposure and experience in genuine hospitality. We believe in delivering a quality service through the execution of high standards as well as the individual contribution of every team member.

We take pride in living our service promise – the Craftsmanship of Care – and we shall make sure that you are provided with a repertoire of skills that will transform you into an expert in luxury hospitality. We believe in the personal and professional development of our team members and it is part of our mission to promote committed and promising individuals to future leadership positions within Corinthia Hotels.

**Eligibility**

*In line with the requirements of the Asylum & Immigration Act 1996, all applicants must be eligible to live and work in the UK. Documented evidence of eligibility will be required from candidates as part of the recruitment process.*
