

IV DRIPS

REBALANCE - REHYDRATE - REJUVENATE

MYERS

A revitalising infusion of B vitamins, calcium, magnesium and vitamin C that restores energy levels, strengthens the immune system, and enhances overall vitality.

SKIN GLOW

Formulated with glutathione and vitamin C to brighten the complexion, reduce pigmentation, and improve the appearance of dark circles and acne-prone skin.

DETOX & RECOVERY

An advanced blend of essential B vitamins and glutathione that supports liver detoxification, boosts energy, and helps the body recover from fatigue and oxidative stress.

NAD

A cellular regeneration therapy that enhances mitochondrial function, sharpens mental clarity, and promotes graceful ageing through deep cellular renewal.

HAIR ELIXIR

A nourishing combination of biotin, folic acid, and B vitamins that strengthens hair from root to tip while encouraging healthier, faster growth.
