

CORINTHIA

LONDON

Moments from the River Thames, Trafalgar Square and Buckingham Palace lies a grand, immaculately restored façade, home to a 283-room hotel.

A place to escape the everyday, for the ceremony of afternoon tea and for sublime time away in the award-winning spa, ESPA Life at Corinthia. Proud experts in the delight of gastronomy preside over Kerridge's Bar & Grill and The Northall, as well cocktails by "The Maestro" Salvatore Calabrese in Velvet, the final flourish to a day in the city.

The style may be modern and the design intelligent, but the uplifting welcome of traditional comforts and warm service is unrivalled in London.
